

Community Resources Information for Our Patients

There might be a time when you or someone in your family might need help with something that is not directly healthcare related or is something our practice cannot provide. Our practice maintains a list of community resources, so do not hesitate to ask us for a referral or help in finding the right resource for you.

Please check from the list below any need you may have now or possibly in the future. The list below gives general categories and examples of the resources we can help you with.

- Food — for a list of local food banks or WIC
- Health — for health management, education & prenatal needs, county health departments
- Hotlines — for crisis intervention such a suicidal patients or domestic violence
- Housing — for housing assistance such as low income housing or various shelters in your community
- Legal Aid — for help with finding an agency for any legal issues
- Medical equipment — for a list of places you can get help with equipment like crutches or walkers
- Medications — for help with getting free or reduced prices on needed medications
- Mental Health — for help in finding the appropriate place help with such needs as depression, substance abuse, suicide prevention, counseling, grief support, etc.
- Senior Support Services — for help in finding help with a variety of needs for seniors
